Our Summer Internship Experience

Over 10 weeks, interns will have the opportunity gain broad exposure to our firm, client franchise, and culture. Interns participate in a rigorous training curriculum providing deep technical exposure. Our close knit culture fosters an open, collaborative environment supported by a strong network and career development opportunities.

Our unique generalist platform provides the ability to explore different industries and develop lasting relationships across different teams. Junior bankers are fully involved with all aspects of a transaction and have frequent interactions with both clients and senior bankers. You will benefit from outsized responsibility early on, with the ability to make significant contributions and be recognized for your impact.

Marquee Transactions

Highlighted below are a few marquee transactions across Healthcare, Consumer/Retail and Media. Interns have the opportunity to work across our industry groups on large, transformative industry-defining transactions.
