

INVESTMENT BANKING ANALYST – Technology, Media & Marketing New York, NY

Graduation Date – Range End: Dec 2017 – May 2018

Ranked #1 investment bank by Bloomberg for mid-market Internet and Advertising Transactions

Description:

With 24 total transactions closed in 2016, and more than 125 transactions closed since 2011, Petsky Prunier is one of the most active investment banks within the marketing and advertising, ecommerce, and media industries. Our mergers and acquisitions and private placements advisory services reflect a unique blend of product specialization and industry expertise. We offer global reach supplemented through our partnerships with investment bank The Mountain Capital Group in China, as well as Allegro Advisors and o3 Capital in India.

We are currently inviting undergraduate seniors for our 2018 Full-time Analyst program. We offer Analysts the opportunity to assume a great deal of exposure and responsibility in a fast-paced, entrepreneurial workplace. Analyst responsibilities include valuing companies using a variety of methodologies, preparing and delivering presentations, conducting research, drafting selling memoranda, financial modeling, and participating in due diligence and client meetings.

Qualifications:

The ideal candidate would possess the following characteristics:

- Outstanding work ethic and a passion for investment banking and finance
- Strong understanding of corporate finance and financial accounting
- Effective writing skills to support the creation and delivery of presentations to prospective client management teams, as well as potential investors
- Excellent presentation and communication skills with confidence to professionally interact with senior leadership
- Positive attitude, personable character and an ability to balance hard work with personal interests
- Bachelor's degree and strong history of exceptional academic achievement
